

GRANNY SQUARE

“This was the first crochet motif I learned to make at age 5, taught to me by my Mum. It has been used time and again for all sorts of projects over the years because it is so versatile.

Make a whole batch of small motifs and join them to form a patchwork style blanket or cushion cover. You could make one very big square consisting of several rounds and have a giant one-square blanket. ”

You will need:

Double Knit yarn (My favourite is Stylecraft Special DK)
4mm hook

UK Crochet Terms used in this pattern:

Ch = Chain
SS = Slip Stitch
Tr = Treble Stitch

To make the squares:

Round 1. Ch5, SS into first chain to join into a ring.

Round 2. Ch3 (acts as first Tr), Tr11 into the centre of the ring, SS into space between first and second Tr's to close the round.

Round 3. Ch3 (acts as first Tr)Tr2 Ch2 Tr3, then *Ch1, skip 3 Tr's then into next space Tr3 Ch2 Tr3* repeat from *to* two more times, Ch1, SS into space between first and second Tr's to close the round.

Round 4. SS along top of Tr's of previous round to the corner space. Ch3 (acts as first Tr) Tr2 Ch2 Tr3, * Ch1, Tr3 into space, Ch1 Tr3 Ch1 Tr3 into next corner*. Repeat from *to* two more times, Ch1, SS into space between first and second Tr's to close round.

Round 5. Repeat in the style of round 4, working corner sets in each corner and Tr3 groups separated by Ch1 along each side.

Grow your granny square to whichever size you choose, working each round as before in Round 5. You will notice that with each round you make the number of Tr-groups increases along each side of the square.
