# Important Information

## **You will need:**

DMC thread in the colours specified in the colour key, or your own selection from embroidery thread you already have.

Needle/needles.

Fabric which is large enough to include the completed stitched piece and the allowance required for framing or completing your desired project.

## **Design measurements and fabric:**

The measurements are listed on the page containing the thread key. These are usually given for 14, 16, 18 Aida (28, 32, 36 Evenweave) fabric, or as appropriate for the design.

The model is shown as stitched on Aida fabric.

## **Useful information for beginners.**

There are many cross stitch resources available online for beginners. Here are some useful links for instructions which are easy to follow and will get you started.

This chart has been designed and published with the intention that it is without mistakes. Should you spot something I have missed I'd be so grateful if you would let me know. I am not responsible for printer output quality, the printer formatting or the outcome of the stitched piece.

Please do not share, trade or sell this digital pattern by any printed or electronic means, or use this design for the mass production of items whether by machine embroidery or other production methods.

If in doubt, please contact me via my website.
